1. Description of the Personal Protective Equipment

Product Designation:

PCVISOR

Commercial Trade:

SIBOL

Product Description:

Personal eye and face protector - Face-shield

Ocular Material

Polycarbonate

Frame Material

ABS, Polypropylene and Polyethylene

In Conformity with the Standard(s): EN 166:2001

PPE Category:

Field(s) of use:

Protection against high-speed particles at extremes of temperature - Medium energy impact;

and /

Protection against splashes of liquids.

Note: Face-shield model PC VISOR has three dimensional variants: vertical central line depth of 16 cm reference code PCVISOR 16 cm, vertical central line depth of 18 cm - reference code PCVISOR 18 cm and vertical central line depth of 20 cm - reference code PCVISOR 20 cm.

Face-shield model PC VISOR was designed to be mounted on two different harnesses: a visor holder suitable for industrial helmet model KARA - reference code Screen Holder and a visor holder - reference code Visor-H.

Terms and conditions under which the Certificate is issued

- a) Marking and instructions were examined in English. The supplying and the obtainment of versions in languages accepted by the countries in which the product is sold are under the complete responsibility of the Manufacturer or of his authorized Representant.
- b) Any variation to the product, to the technical file or, in the provided cases, to the manual or to the quality control procedures, shall be notified in time to Certottica.
- c) The Manufacturer or his authorized Representant shall respect the procedures and the regulations provided by Certottica for the EC Certification.
- d) Copies of this Certificate, supplied to third parties, shall be reproduced in their entirety.
- e) The present certificate shall be carefully kept by the Manufacturer to be shown, on request, to the Organism of control or to the Vigilance Administration.
- f) The present certificate remains property of Certottica, which can ask for it back if some of the above mentioned conditions are not respected.
